

# Opal Frost

This is by far our most popular frosted window film

A premium plain frosted film which completely renders glass obscure and prevents vision in and out, day and night. A simple solution for added privacy, ideal for glass partitioned areas, offices, bathrooms etc.

Once fitted, the opal frosted window film will give a great frosted appearance to the glass whilst still allowing 90% of light through. This film is an easy to install self-adhesive film that can be cut with scissors or a craft knife and applied directly to your existing glazing.

If you would prefer us to fit the film for you, then please contact us for a free no obligation quote. Fitting starts from £190 + vat

**Allows 90% of visible light through**
